It is my immense pleasure and privilege to welcome you to IRACON 2026, Pune.

Our goal for this conference is to foster an environment of rigorous scientific discourse and collaborative learning. Rheumatology is evolving at the intersection of science, clinical wisdom, and expert authority.

This year's program will be meticulously curated around the theme, " Rheumatology at crossroads: Experience, Evidence & Eminence ," and will feature a diverse array of sessions, including state-of-the-art lectures, abstract presentations on groundbreaking research, and interactive workshops designed to translate the latest findings directly into patient care.
